THE X-NOVO VINEYARD

Eola-Amity Hills AVA
550' Elevation | Eastern Exposure
Volcanic/Decomposed Basalt Soils
Planted to Mixed Chardonnay Clones

This is a beautiful site planted with a mixed of clones collected by the owner, Craig Williams, throughout his years working in the California wine industry. This sun soaked vineyard faces east with an unobstructed view of the Cascade mountain range. The finished wines from these deep Jory soils yield a vivid wine that explodes with juicy red fruit..
